

Silver Package Services

Silver Package:

Your Silver Package is your first contact with us:

This is what we offer:

- **First Basic Consultation:** Experience a comprehensive in-depth consultation call where we delve into your financial situation. This personalized session allows us to understand your unique circumstances, challenges, and goals, ensuring that we can provide you with targeted advice and actionable strategies for effective debt management.
- **Customized Budget:** We will create a customized budget tailored specifically for you. This budget will take into account your income, expenses, and financial obligations, helping you gain control over your finances. Our aim is to provide you with a clear roadmap for managing your money effectively and allocating funds towards debt repayment while also covering your essential living expenses.
- **Two Follow-up Calls:** Enjoy two complimentary follow-up sessions to track your progress and make any necessary adjustments to your budget or financial strategy. These follow-ups will help ensure you stay on course towards your financial goals and provide an opportunity to address any new questions or concerns that may arise.
- **Validity:** The Silver Package is **valid for three months**, giving you ample time to implement your personalized budget and receive ongoing support as you work towards achieving your debt relief objectives. This timeframe allows us to monitor your progress and adjust your strategies as needed to maximize your chances of success.
